

## MADE IN HONG KONG

This season of Asia and the Pacific Screens presents a selection of films showcasing Hong Kong's New Wave cinema and its legacies. The films reflect on Hong Kong's youth culture in the 1980-90s, the territory's shifting sense of identity and its changing relationship with Mainland China.

This monthly film series offers a fresh window on social realities, cultural transformations and creative imaginings from across Asia and the Pacific, through documentary and feature films made by some of the most entertaining, insightful and uncompromising filmmakers in our region. Screenings are followed by a short discussion, led by relevant local and invited scholars and filmmakers.

Sponsored and hosted by the Australian Centre on China in the World, the series is programmed by a team with diverse expertise in visual culture, dramatic arts, independent cinema and popular culture in Asia and the Pacific.

Open and free to the public
