

2023 CIW ANNUAL LECTURE

A Perfect Storm: COVID, Collapse of the Property Sector, and Local Government Debt in China

Professor Jean Oi

William Haas Professor on
Chinese Politics

Stanford University

Local government debt skyrocketed during the last years of China's zero COVID policies and has continued to rise unabated, troubling Beijing and rattling international financial markets.

Professor Jean Oi will discuss the causes of this dilemma and reflect on solutions that Beijing is proposing to handle the problem.
